I had a call from Get Wines Direct yesterday. The lady calling me had to give up her job in Aged Care as she refused the job. She told Get Wines Direct that she was unjabbed. Get Wines Direct said that was OK and then hired here for telephone sales. So buy wine from her and support her during this time. She rang from 07 5459 4100. Their wines rang from \$50 a dozen upwards. So support Get Wines Direct.

“What are the real tools of war? Not only physical violence but rhetorical violence. In Attempting to determine how Adolf Hitler had taken control, the US Office of Strategic Services commissioned a report in 1943 that explained this strategy. “Never to admit a fault or wrong; never to accept blame; concentrate on one enemy at a time, blame that enemy for everything that goes wrong; take advantage of every opportunity to raise a political whirlwind.” The Betrayal of Anne Frank, Rosemary Sullivan Sound familiar?
