Hi Dee Cee :-)

19:21:18 From Dee Cee to Everyone:

great. thanks

19:22:01 From Sharon, Wollongong to Everyone:

SA Election putting in a QR code via EasyVote Card or MySA GOV app. First time in election history. Perhaps a prelude to Federal Election. Ugg. But thankfully voting people can avoid this by being manually marked off electoral roll at polling places.

19:22:38 From Louise Keramaris to Everyone:

It's great to get these impressions of potential candidates like Craig Kelly etc.. However I'm not going to support anyone other than true independents!!! Too many deals behind closed doors and too many skeletons in closets! 🙏🙏🙏🙏

19:23:48 From Jules NSWdjA to Everyone:

If burns caused by mobile phones in large crowds, why doesn't this happen at concerts etc.

19:24:07 From Julie Parker to Everyone:

Greed, Jules. Grand Finals, etc.

19:24:23 From John & Ines to Everyone:

Louise how do you determine who a true independent A lot are plants from Libs labor or greens. At least with the minor patries like LNP UAP IMOP The federation party your are gettign what Asutralia needs

19:25:28 From Jacqui to Everyone:

The only way the burns could have been caused by the mobile towers is if the telcos intentionally turned the power up on them. As Jules mentioned, we have gone to festivals/concerts for years and years with thousands of people and no burns.

19:25:53 From John & Ines to Everyone:

because at concerts most people are not live streaming... Everyone was live streaming in Canberra and there were around 1 million phones operating. That is why the live feeds kept stalling the network could not cope

19:27:05 From Simon to Everyone:

Hugh, do you know the day of the speech?

19:27:34 From Gerry to Everyone:

19:29:51 From Rosie to Everyone:

I've been sharing that one to many groups - most people appreciate how Topher has explained the preferential system

19:30:05 From Louise to Everyone:

Exactly a lot are plants ☹️. I'll discern closer to election time and hopefully we will all have more Intel about how these minor parties work their preferences!!

19:30:28 From Rosie to Everyone:

herding cats?

19:33:39 From Phil to Everyone:

Yes, people say that protests achieve little. Yes, I would like to see more action at them, perhaps. But the sense of encouragement and camaraderie was special.

19:34:08 From Sharon, Wollongong to Everyone:

For SA Election, MPs from Liberal and Labour or Independents who voted against abortion-to-birth and euthanasia bills deserve to be placed high on ballot, but for many Labor MPs and Greens who voted for these Bills need to be replaced by good minor party Candidates who support family-friendly values, life and freedoms.
