Question: do we have the right to refuse getting a test?

19:57:04 From vijay to Everyone:

Question: “we” (as in anyone dissenting the jab regime) are being characterised by most pundits as whingey, selfish, white and extremist - what can be done to combat these mischaracterisations? Does anyone know of any solidarity or cooperation between “us” and other marginalised/ disenfranchised groups, like the unemployed, incarcerated or racially discriminated?
