19:51:32 From anthony to Everyone:

In Warracknabeal I cannot go to the pubs, or Home Hardware or the cafe or the main recycle shop without vaccines. I can go to Jono and Johno which is similar to a hardware shop without question,. My local Sri Lankan doctor is happy to see me without having the vax. He knows of natural remedies and is quite happy for me to have the homeopathic Virus Remedy ready if the virus comes to me. So most firms in Warracknabeal are agents of the govt, but the Sri Lankan doctor allows for other things to be possible.
