- Vaccination requirement - All Individuals, vendors, and visitors entering a Prudential facility (or Prudential floors in a multi-tenant building) must be fully vaccinated unless an accommodation has been granted due to a medical disability or a sincerely held religious belief. This requirement does not apply to Prudential Advisor field offices, which have received separate direction and must follow protocols outlined below appropriate to their facilities. Laws in certain states prohibit restricting a customer's access to our facilities based on vaccination status. Individuals in these locations have been given separate guidance as applicable. Visit the Reimagine the Workplace Hub COVID-19 page* for more information.
