Julie? Or Charlie /

19:03:39 From Fiona to Everyone:

hee hee Julie... love it!

19:07:01 From Tony to Everyone:

This morning I saw a report: Depeche Mode keyboardist Andy Fletcher dies. No info on why he died. Sounds like another case of Suddenitis

19:11:29 From Loz to Everyone:

hear SOuth Australia is opening up QUACK clinics at the actaul schools there

19:12:52 From Dee Cee to Everyone:

WAR nice acronym Simon

19:13:59 From Jules to Everyone:

Fantastic Simon. Well done!

19:14:20 From John O'C to Everyone:

My daughter surfed at Mallacoota yesterday . Almost a year ago she surfed the same place and made friends with a young woman who was the President of the local boardriders club . So yesterday my daughter asked a local surfer how her friend Vanessa was . He sadly told her that Vanessa passed in her sleep ... will this shake and wake Mallacoota ?

19:15:09 From Jules to Everyone:

Not sure what is worse. Ignorance or idiocy.

19:16:47 From Simon to Everyone:

@DC wil be "WAER"

19:17:12 From Dee Cee to Everyone:

Still very cool Simon

Do they need to film themselves getting the jab stating they are being coerced Charles?

19:30:38 From John O'C to Everyone:

On Dr. Lee Vliet's show today a military doctor clearly explained that if you are taking Melatonin then the prime time to take it is as the sun sets ... not half an hour before bed . Just saying !

19:31:54 From John and Peggy H to Everyone:

must be careful of Melatonin can have side effects

19:32:18 From Fiona to Everyone:

was listening to WEF in Davos during the week & Gates basically admits again that jab failed... he says it didn't stop transmission 🧑♀️

Thank you Ian

20:00:15 From Phil to Everyone:

Ian, and all, keep up your great work!!

Every day, people are awakening, thanks to brave people constantly pushing truth.

20:01:02 From Tony to Everyone:

My friend Gary D just sent me the following message: My mates old man got put in an induced coma yesterday with bad pneumonia he has had 3 jabs he is only 68

20:01:21 From Julie Parker to Everyone:

Gosh, Tony. How awful.

20:01:27 From Phil to Everyone:

I've got to go, but have a great week all.

and thank you Julie for being a most excellent stand in!! 🌟

there is patent activity detecting spike protein CN112782401A

The invention relates to a method for rapidly detecting a novel coronavirus (SARS-CoV-2) in vitro and application thereof The method can be used for specifically detecting spike protein

20:04:51 From Pasquale to Everyone:

Ian have you heard of this recent find in Sweden?

20:04:54 From Julie Parker to Everyone:

Many thanks to everyone for your links and contributions. I will be able to properly read through afterwards :)

20:05:31 From Fiona to Everyone:

why so many dying in their sleep 🤔

20:08:19 From Loz to Everyone:

I've noticed that reports from 'vaccinated' who have had 'covid' now seem to be reporting that it is in fact the \*flu\* that they have had- as a result of RAT tests or Pcr tests

20:08:38 From Jules to Everyone:

Agree. We must develop a new system. The current one is obsolete.

20:11:17 From Fiona to Everyone:
