19:19:34 From Tess to Everyone:

FYI VIP -“Medicines Australia” has a very important law that is little known

I only found out about it because I was working at Jensen

Only a qualified doctor is allowed to put in a complaint.

The law is called the

“foreign corrupt practices act”

The law does apply to Australian pharmaceutical companies and their CEOs etc

If a company agrees to manufacture (and ? Or Distribution) a product that has fraudulent safety research data or data that is considered medical malfeasance then this is corrupt practices as the patent and owner is paid owners royalties (also known as kickbacks)

If a company agrees to manufacture a product where fraudulent safety research has taken place (particularly where monies go to the patent owner )then this is corrupt practices.

It also applies to doctors immunisation clinics Immunization mobile clinics schools where the vaccine might have been administrated hospitals specialists paediatricians

So we need to understand who is medicines Australia

✳️. This law has VERY big te
