During a Zoom with an American Called Alex Collier he reported to me that NEW ZEALAND PRIME MINISTER Jacinta Aherns wealth has jumped pre Covid from \$800.000 to \$25 Million. He claims she is invested in Astra Zeneca and Pfizer.

19:36:05 From Julie Parker to Everyone:

Nice bit of motivation

19:36:17 From Gerry to Everyone:

EVERY Doctor giving Covid Vaccines is now NOT giving informed consent. They are NOT practising medicine. They are agents of the State or agents of Big Pharma.

Yes, Gerry

The Pfizer share price has only doubled (at the peak). It has fallen since then. So the story on Jacinda's wealth is not due to Pfizer shares.

40 new 'covid' billionaires

<https://www.forbes.com/sites/giacomotognini/2021/04/06/meet-the-40-new-billionaires-who-got-rich-fighting-covid-19/>

19:41:40 From Sharon, to Everyone:

This law below is 'harmful' to TGA due to irrefutable evidence of jab-injuries and deaths i.e. Therapeutic Goods Act 1989 under Division 2 - 32BA “Criminal offences for importing a biological”:

(1) A person commits an offence if: ...

(c) either:

(i) the use of the biological has resulted in, or will result in, harm or injury to any person; or

(ii) the use of the biological, if the biological were used, would result in harm or injury to any person.

Penalty: Imprisonment for 5 years or 4,000 penalty units, or both

Hope to see this and others used in court.

19:44:21 From Gerry to Everyone:

Then read the Summary on Page 7 -- this is an understatement. The unvaccinated are clearly doing much better than the vaccinated.

"These data ... indicate that the cohort of people, currently unvaccinated, collectively .... are not being as adversely affected by Covid-19 resulting in the need for hospitalization as are the vaccinated cohorts"

19:44:27 From Julie Parker to Everyone:

Thank you, Gerry

19:45:52 From Gerry to Everyone:

The charts in the link are week by week. They are showing beyond doubt that the Vaccinated are suffering from hospitalization ++ and that it is increasing each week by week.

19:47:13 From CV to Everyone:

There are lies, damn lies and statics

19:47:18 From Gerry to Everyone:

The other problem is that the Vaccinated are classified as "Unvaccinated" for 4 weeks after their first shot

19:48:05 From Simon to Everyone:

How to lie with statistics

19:48:29 From Fiona to Everyone:

How long after boosters are they considered UnVax

19:49:14 From Julie Parker to Everyone:

Great question, Fiona

19:49:24 From Therese to Everyone:

a computer expert going home to home in NSW fixing computers said he does not think the numbers we are being given are not truth. He has met heaps of NSW people who are not vaccinated TASMANIA it is the same the stats are not true

19:49:29 From Simon to Everyone:

deaths are elder because they are the ones lining up for 2 booster
