HI All, hope all is well.

I have to head out shortly so might miss the end of evening.

Spoke to someone I know the other day and haven't seen in about 12 months - he worked as a fitness trainer. Had to get the job to keep working. Got myocarditis and now can't do any cardio and can't do his marathon running any more either. He's only in his early 30s.

19:43:21 From Sharon, to Everyone:

Michael - do you think this fitness trainer (myocarditis) would be willing to share his story publicly? My mobile is 0458 771 334.

MAHA have joined with dear Spiros Kalotihos and dear Glenn Floyd, two amazing Victorian legal heroes fighting for Humanity and Equality and Truth in Australia (and Winning, by the way!) against the total corruption, malefeasance and criminality of the Victorian Government calling a false and unlawful Covid Emergency, and thus creating enormous and totally unnecessary destruction of Victorian lives, livelihoods, families, businesses, the economy, and Victoria in general.

Spiros has proved that the Emergency is false and unlawful in VCAT.

See: makeaustraliahealthyagain.org or go directly to <https://bit.ly/3GF5Now> and <https://bit.ly/3QiYojo>.

19:44:30 From Julie to Everyone:

continued: MAHA believe the Victorian Government is interfering in this judgement so that the judgement cannot be delivered, particularly before the Victorian Election, so they can keep the Victorian people in the dark as to their gross malefeasance and criminal negligence in calling a false and unlawful Covid Emergency.

Feel free to distribute these files which contain all the incriminating legal and factual information the Victorian Government has been trying to Coverup.

MAHA and legal partners will work Pro Bono (free of charge) and MAHA's 36,000 and counting, (free of charge) co-joiners need to agree to the legal team receiving 10% of all damages successfully recovered.

MAHA will use any income thus generated for Humanitarian Not-for-profit Charitable purposes.

Please spread the Word.

MAHA encourage all Victorians to consider joining this, the largest class action in Australian History.
