In Victoria they are also cancelling fines

20:25:50 From Julie B To Everyone:

Agree

20:26:07 From Sheree To Everyone:

People who have had fines cancelled, need to form class actions against the government to hopefully prevent it happening it again.

The issue is no lawyers want to take on these cases

20:28:05 From Sheree To Everyone:

I don't believe that there should be amnesty. I am usually all for forgiveness, but other murders have to serve the time for the crime they committed. So it is only fair for these people to also serve time for their crime. There are consequences to actions.
