Think about this and the VOICE

I'm sure most of you would be ware of this, however Kim Beasley was a surprise

The real reason why the Labor Party are pursuing a Voice referendum.

The Australian Labor Party in promoting its "YES" vote for a voice to parliament to have the Constitution changed by referendum. The Labor Party is not being open and truthful as to the real reason it is conducting this referendum.

In 1990, Federal Politician Kim Beasley made a statement in response to Senator Button's question in the Australian Federal Parliament about whether there should be a republic. His reply was:

Kim Beasley Quote: "The United Nations has given the Federal Government a mandate of ownership for housing, farms, property and business to government control once the REPUBLIC has been proclaimed."

The comment by Kim Beasley in parliament back in 1990 should be ringing alarm bells. The United Nations is the NWO in waiting for a one world government.

The current push by the Labor Party for the 'Voice' refe

Reacted to ""Trusting the govern..." with 👍

20:01:25 From John and Ines to Everyone:

The current push by the Labor Party for the 'Voice' referendum is the single most important part of their plan, which is to include the 'ORIGINAL' Men, Women and children of this Country (Indigenous people) into the Commonwealth Constitution because, at the moment they have 'NO CONTRACT' with the 'ORIGINAL' Men, Women and children of this Country.

Because there is 'No Contract' with the Indigenous people of Australia, a republic would not be achieved because the 'ORIGINAL' Men, Women and children of this country are the lawful land owners and the government would be unable to take control over ownership of housing, farms, property and business, thus thwarting its secretive push for a totalitarian republic where you would own nothing and be happy.

This plan as you can see was already underway back in 1990. Every State in Australia has already sold off the Lands and Title Office, your original titles have been destroyed. The value of your property is in the TITLE.

All properties certificate of title

Good night friends ... Each of us humans has infinite power ... do not give your power away to anyone or anything ... the battle between light and evil in this synthetic God construct is a never ending loop that entraps humanity raising your vibration means knowing the infinite universe that is you . Us humans are all creator beings . So many distractions on this planet now as the satanists are now in their death throes . We have to support each other even woo woo like me as we drive towards creating an inclusive earth rid of these reptiles . Great chat

I think you should go through a clairvoyant and interview some of the dead pilots! Would probably be very interesting.

21:17:13 From Anthony to Everyone:

John, I haven't consulted one for a couple of years. When Mind Spirit Body festivals could not meet, they had online meetings with clairvoyants. Now they are back to doing them at Mind Body Spirit Festivals. You will probably have one in Brisbane soon. Just go and consult any of the 50 or so clairvoyants they offer. Most will not be vaccinated themselves and will be glad to ask the deceased pilots for their views.
