So YES it is Robert F. Kennedy Jr, our ambassadors cousin that says all vaccinations are BIOLOGICS. So thus any advertising outside the EMERGENCY time frame is illegal and we MUST insist that the TGA start to issue fines and take legal action against anyone. The TGA can not have it both ways. We can not have a biosecurity act and pandemic with a biohazard and then wen someone advertises a product that has the biohazard it in when it is a BIOLOGIC and it is illegal in Australia to advertise a biologic. !!

On 15 minute towns. I have seen councils proposing tram lines, like on Sunshine Coast, which cause a narrowing of the road, and the removal of parking car spaces outside shops. So, the only way, or main way, customers might be forced to use trams to reach their shops. Now, if you are designing a small commercial set-up, shop or factory, especailly in a country town, ensure the front 16m or more is your own property's car parking spaces. If frontage is 10m, then 3m for drive in from street, then 6m drive servicing 4 car spaces. If 20m frontage, then probably get 8 parking spaces. As

15 min towns try to keep contracting-our-rights, these shops with parking should always have tenants. Gerry.

Lyrics:

You can hate me, try to break me

Talk me down and denigrate me

You can try to silence every word

But I will not be leaving quietly, no

I won't leave  
I won't leave  
I will not be leaving quietly  
And you can mock me, try to out smart me  
You can shame me and try to blame me  
You can do your best to shut me up  
But I will not be leaving quietly, nol won't leave  
I won't leave  
I will not be leaving quietly  
I'm gonna stand here  
And I'll fight for every word  
I'm gonna shout the truth  
Until you know it's heard  
I'm gonna stand here  
And I'll fight for every word  
I'm gonna shout the truth  
Until you know it's heard  
You can scold me, attempt to control me  
Ban me and censor and label and troll me  
You can push me and try to kick me out  
But I will not be leaving quietly, no  
I won't leave  
I won't leave  
I will not be leaving quietly  
And you can mute me,  
Strike and dispute me  
Dumb down the rest, yea, but I'll keep refusin'
