As chairman of my LNP branch I emphasised to our local LNP member that the LNP policy of want curfews on youth during the last state election cost us two seats here, Caloundra and Buderim, where the youth go surfing in the early morning, and parents did not want to be de facto jailers of their children! When the issue was gain raised in LNP, at a meeting in Cairns, Andrew Powell MLA presented my arguments and stopped the party going again down this stupid path of curfews. I wanted to say this when Charles mentioned the importance of carefully speaking with politicians - and call them parliamentarians if you want them to listen.
