Hi All, Following High Court challenge by Dr Billy Bay over Referendum - The Voice and against Commonwealth of Australia and AEC head via a Cafe Locked Out 'announcement' 6.9.2023 ' the key point made is that the Justice

"declined to rule on the constitutionality of the referendum". Sorry folks, I believe the Judge bailed.

I referred this to a senior International Barrister based in WA with treat and UN and Human Rights legal expertise.

He replied 8.9:

"Hi Sharon, if you're asking the narrow question of whether the High Court will stop the the Voice Referendum, the answer is it won't. In fact, the High Court will be inclined to stop anybody who tries to block the referendum."

Keen to know people's feedback on Dr Billy's courageous attempt and gutless judge.

Can you imagine if WOWInt got 1 million members and each paid \$1 every month - that is WOW!!!

19:55:03 From Sharon To Everyone:

Some good news (sorry can't talk).

Following CLO video this week with Dr Oosterhuis, Terri Addison and myself about autopsy issues with Forensic Pathologist in QLD, a CLO viewer in NSW contacted me privately as he is in same situation but ahead of us in NSW.

This man said his 30 yr old brother was found suddenly dead in bed in Sydney. Autopsy done Oct. 2021 and report took 5 months with result being "unascertained". Was well, mandates to get 2 X AZ jabs.

This brother got permission from his father to get extra tissues from autopsy samples taken. Paid \$1,000 for 3 slides and \$300 to send to USA to Dr Ryan Cole for analysis. Still awaited.

The brother had to jump many hoops with Coroner dept who were evasive and he DID NOT mention the jab as the reason to get independent analysis. Just to get 2nd opinion as autopsy report showed "unascertained". Smart,

Calling this brother tomorrow.

19:56:00 From Tess To Everyone:

https://youtu.be/9_zvfGgr8Y0 30 minute international interview about natural vitamins that are actually approved by the FDA. It is listed in the US version of MIMs I was interviewed by Dr Caroline Hong. One of the other people interviewed is the Hon Andrew Stoner of Port MacQuarrie, it is a fantastic flow up to the IV infusions.

20:21:04 From Guy To Everyone:

Metal houses are excellent electricity conductors therefore EMF cannot penetrate electric conductive surfaces.

20:21:26 From Rosie To Everyone:

thanks everyone - see you next week :)

20:21:56 From Andrea To Everyone:

Bye and thank you! 😊

20:22:00 From Karina To Everyone:

Thank you everyone

20:22:22 From Clare To Everyone:

Thanks for a great night again

20:22:32 From Felicity To Everyone:

Thankyou
