Update - 16 November 2023

Further to statement on 31 October 2023, the Victorian Legal Services Board and Commissioner (VLSB+C) is aware that a number of investors have reported financial losses as a result of investing funds in a mortgage and loan business overseen by Mr John Adams (deceased) at AMS Lawyers, Ivanhoe.

We are also aware of allegations that mortgages have been fraudulently registered against some titles to properties.

Of course I have the leaders about a foot long, and then the emerging. It would be lovely if they were useful in teas, and I will research this.
