Hi All, For anyone interested in receiving a copy of my letter I am preparing to hand deliver next week to my Federal Labor MP concerning the WHO treaty - Pandemic Treaty, then please email me at (email given – email julie@julieparkerpracticesuccess.com.au to gain access) - people need to edit the letter for the name and electorate of their Federal MP, and that this is an electoral issue too plus our human rights are non-negotiable. Possibly add Ian Brighthope's comment on Zoom tonight for Australia to exit the WHO. To protect our national autonomy and budget etc.
