Food for thought..."When you REGISTER to VOTE you VOLUNTEER to be REPRESENTED by members of parliament. There is an Act called the REPRESENTATION

OF THE PEOPLE ACT 1867 whereby it states that a man is entitled to be registered as a voter amongst other important things.

However, in doing so that man then becomes a PERSON and a CITIZEN of the UNITED KINGDOM and is seen as an agent of the Crown/government.

The UNITED KINGDOM is a corporation that operates out of Britain. Britain is the land mass and the UNITED KINGDOM is a corporate body. Voting makes you a CITIZEN and EMPLOYEE of the corporate body called the UNITED KINGDOM and all the policies known as ACTS and STATUTES applies to UK CITIZENS”.
