The only way to stop the violence is for us to break the silence right now

So if you tend to agree and you're pissed off like me

Stand your ass up and scream it out loud

Sing I will not comply

Quit tryin ta take me to task cuz I don't wanna wear a mask or take a vaccine that could maybe make me die

They got no scientific evidence to back that crap up all they do is feed us lie after lie

My fabulous vet Deb, at Elwood Vets just saw my beloved 15 yr old maremma and my 13 yr old maremma and said they are remarkable for their age .. she knows I don't vax my dogs in any way .. she refused to charge me as she said ' we have to look after and care for each other '. This clinic is totally amazing .. I have sent so many people to her and to them as they are totally supportive... tell them Lynne with the maremmas referred you. Brilliant care xxx
