From Chat GPT: Bragg Live Food Products, renowned for its apple cider vinegar, was founded in 1912 by Paul Bragg. In 2019, the company was acquired by an investment group led by Swander Pace Capital, Dragoneer Investment Group, and co-investors including singer Katy Perry, actor Orlando Bloom, and Hayden Slater, founder of Pressed Juicery.

As of June 2024, reports indicate that Bragg is exploring a potential sale, which could value the company at over \$500 million.
