I'm kind of scared, I don't want a kneejerk reaction and a hate campaign against all Muslims. They can't all be bad. Can they?

2025-12-19 19:11:15 From **Anthony** to Everyone:

One of the first bands or duos I videoed in the 1990s were Dan Warner and Al McInness (Dan and Al). They are having their special Christmas event at the Corner Hotel in Richmond on Sunday evening. So if you go to the event of Nick Patterson you could book into the Dan and Al Christmas show in the evening. Best regards, Tony.

2025-12-19 19:11:18 From **Carol** to Everyone:

This is a Muslim attempt in Australia. As they won't fit in with Australian society they should be sent back to where they came from.
