Just leaving this here Folks The Earth's magnetic field has dropped 15% in 20 years. The North and South magnetic poles are shifting. In 25 years the north pole will be in the Bay of Bengal and the South pole is going to be in Peru. This is the start of the next 6,000 and 12,000 Earth disaster cycle. We are cooked. Try to live a good life and help others. We cannot avoid what is coming. God bless us all.

I met an ex-satanist in 2011 who became a Christian and God gave her the ability of seeing angels - which are real and Scriptural, as shown in Old and New Testaments (Genesis and Mary visited by Gabriel as mentioned in Gospels). This ex-Satanist, with another woman, prayed for me in 2011 and she saw a huge 9 foot warrior angel dressed in Roman armour standing behind me. She described his appearance to me and the Warrior angel was accompanied by a contingent of smaller army angels. Hence ‘protected’. Need to write this up to share full account. No fear when with the Lord.
