2026-02-13 19:01:12 From Julie to Everyone:

Around the world, politics is changing.

Donald Trump is in the White House again.

Reform UK, led by Brexit firebrand Nigel Farage, is on track to win government.

And across Europe, a political storm is raging, with new centre-right parties pushing back against the tired old establishment – and winning.

A whole new world is here ... one that could leave Australia behind. Until now.

ADVANCE is proud to introduce our groundbreaking new conference coming in 2026:

iPhone: 👍

2026-02-13 19:01:21 From Anthony to Everyone:

Is it a good OMEN for the Liberal Party to change leaders on Friday 13th February 2026?

2026-02-13 19:01:22 From Julie to Everyone:

With world class local and international speakers, cutting-edge debates, and new ideas and opportunities on display, you can be sure of one thing: Politics in Australia is set to change forever.

This is your chance to help shake awake Australia's sleeping movement of mainstream Australians who for years have been left behind and ignored.

No more tired old establishment politics.

No more being ignored, attacked and held back by the activists and elites.

No more just "winning" in the opinion pages while we lose our country.

It's time to create a movement that WINS.

Australia, it's time to EVOLVE.
