Barry RADIO NO NEED TO MENTION THE VACCINE just MEDICATIONS in GENERAL, it could be any medication What might be a good opportunity is if you happen to say something to the EFFECT of, if anyone would like to put a complaint into AHPRA you know someone(me) who can help them put in a complaint, it is very easy to do.

The government, whether Lib-Nat or ALP, has I believe used the extinction of a Leasehold on property against owners of Leasehold, eg abolition of the Lease for proposed Russian embassy, a few years ago. So are government employees in Canberra also been threatened with extinction of Leasehold on their property if they do something the gum-nuts don't like? Gerry.

2026-04-17 19:55:31 From Gerry to Everyone:

This is why we must always have proper Freehold titles; not Leasehold, not Strata.

2026-04-17 20:07:15 From Gerry to Everyone:

Yes, but they are still freehold titles. In Canberra and ACT, the government owns all the titles, and leases them to people whom think they are home owners! There were three small towns in ACT before 1927 when Canberra started. Progressively, the ACT even bought up those few freehold titles with the last being bought up by the Whitlam Labor government in about 1974.
